

PORT OF LONDON
AUTHORITY

NOTICE TO MARINERS
LONG REACH

L53-23**CIVIL & MARINE JETTY DREDGING OPERATIONS**

Mariners are advised that, on or about 04th December 2023, contractors instructed by the operator of Civil & Marine Jetty will commence dredging operations at that location.

The location of Civil & Marine Jetty is indicated by the red markings on the chartlet below: -

The area to be dredged is the berth box immediately off the berth face and no vessel is to enter this area except those involved in the dredging activity. These dredging operations will be carried out by excavator onboard spud barge DART, which will be spudded down within the dredge area for works. Dredged materials will be removed from the works site by barge. Dredging operations are expected to be complete within approximately 10 days from commencement; operations will be conducted every day except Sundays. Tugs, workboats and safety boats may be in attendance.

Requirements to proceed with caution or at slow speed will be made in accordance with the procedures set out in the Port of London Authority's Port Information Guide, under 'London VTS', 'Section 4' with the International Code Flags 'Romeo Yankee', which are illustrated below, displayed.

'ROMEO'

'YANKEE'

The display of these signals will be in addition to any lights or shapes required under local regulations and the International Regulations for Preventing Collisions at Sea.

Further details will be broadcast as appropriate by London VTS on VHF channel 68.
