

NOTICE TO MARINERS M38 of 2018

WOOLWICH REACH WOOLWICH FERRY TERMINALS PILING OPERATIONS

On or about 11th June 2018, contractors working on behalf of Briggs will be conducting piling operations on the North and South ferry terminals. This will involve 3 piles being installed at each terminal.

Piling operations will be undertaken from the Jack up barge HAVEN SEARISER 4 with the crane barge FORTH ATLAS in attendance. The North terminal piling is expected to commence 11th June 2018 and be completed by 2nd July 2018. The South terminal piling is expected to commence 2nd July 2018 and be completed by 27th July 2018.

Vessels navigating in the vicinity of the Woolwich ferry terminals are to do so with particular caution and due regard to the works taking place.

London VTS will broadcast requests for vessels to “proceed with caution” or “proceed at slow speed”, as described in the Permanent Notices to Mariners 4 of 2014, as required by the works. International Code flags “Romeo Yankee” will be displayed when this is in effect.

Further details will be broadcast by London VTS on VHF Channel 14.
