

LOWER POOL KING EDWARD MEMORIAL PARK CONSTRUCTION WORKS

Table of Amendments	
20/07/2023	Text highlighted in yellow added

Mariners are advised that on or about 18th May 2023, Tideway Tunnel Project deliveries will commence for works to remove the temporary cofferdam wall at King Edward Memorial Park, near Shadwell Basin. Works will take approximately 12 months.

The area of works is shown in red on the chartlet below. In addition, project barges will also be using the Stone Stairs Barge Tier, which is leased for the duration of these works.

Works may involve excavation, pile removal, dredging and laying of scour protection using a variety of crane barges, jack up barges, supply barges, tugs, work boats and multicat vessels. The vessels will maintain a listening watch on VHF channel 14.

At times, requests for vessels to proceed with caution or pass at slow speed will be made by London VTS on VHF ch.14, in accordance with the Port of London Authority's [Port Information Guide](#), under 'London VTS', section 4. International Code Flags 'Romeo Yankee (RY)' will be displayed accordingly.

Vessels are requested to be mindful of the nature of the works, to be aware of vessels proceeding to and from the works, and of their wash when passing, particularly during crane lifting operations. Separate Notices will be issued for any diving operations taking place as part of these works.

Further details will be broadcast by London VTS on VHF Channel 14.
