

NOTICE TO MARINERS M66 of 2022

BARKING CREEK FRESH WHARF SUNKEN VESSEL

Mariners are advised that a sunken vessel has collapsed further into Barking Creek, and during periods of high fluvial flows and/or at high water, will be semi-submerged.

The location of the sunken vessel is detailed in the chart extract below.

Mariners are advised that there is no passage inshore of the sunken vessel until it has been salvaged. All mariners navigating in this area should do so with caution and ensure that this sunken vessel is considered within their passage plan.

Further details will be broadcast by London VTS on VHF Channel 14.
