

NOTICE TO MARINERS M94 of 2017

LAMBETH REACH FILMING OPERATIONS LOCAL TRAFFIC CONTROL

On **Saturday 28th October 2017** and **Sunday 29th October 2017** an Unmanned Aerial Vehicle (UAV) will be conducting filming operations between Lambeth Bridge and Lambeth Fire Pier. In order to support these operations Local Traffic Control will be conducted at the following times:

Date	Start Time	End Time	Navigational Information
Saturday 28 th October 2017	16:00	18:30	Local Traffic Control
Sunday 29 th October 2017	05:30	08:00	Local Traffic Control
Sunday 29 th October 2017	15:00	17:30	Local Traffic Control

The UAV will conduct a vertical take off from the SCHELDEMOND I and complete a series of flights during these periods that will involve low level flights above the river. Please see the chartlet below depicting the position of the SCHELDEMOND I and the area of Local Traffic Control.

Local Traffic Control will be conducted from the attending Harbour Service Launch; call sign prefix "Thames Patrol". The Harbour Service Launch will be monitoring VHF channel 14 and providing Local Traffic Control as required.

All vessels are to navigate in this area with caution, maintaining a continuous watch on VHF Channel 14 and follow the instructions from the Harbour Service Launch which will be exhibiting flashing blue lights. Whilst endeavours will be made to lessen the impact on river traffic at this time, operators should be aware that there may be delays to vessels of up to 10 minutes during these periods.

Further details will be broadcast by **London VTS** on **VHF Channel 14**.
