Saturday 12 th Mar	15:30 *	OUBC	Leander (press fixture)
Sunday 13 th Mar	14:45	OUWBC	Newcastle

* To be confirmed

Each race or training session will consist of one or two eights racing with the flood tide; starting from the University Stone at Putney and finishing at the Boat Race finish post at Chiswick. These races will be followed by a number of coaching launches and small passenger craft.

Vessels navigating in the area during these times should take note of the following:

- The eights will be following the racing line, as distinct from the starboard hand side of the navigation channel;
- Rowing vessels and coaching launches not involved in the races are to avoid obstructing the races and the vessels following the races;
- Motor vessels in the area should keep clear and navigate with caution, paying special attention to their wash.

However; where risk of collision exists, the International Collision Regulations as modified by the Port of London Thames Byelaws 2012 continue to apply to **all vessels**.
