

NOTICE TO MARINERS No.L24 of 2011

SEA REACH

OIKOS No1 JETTY REFURBISHMENT WORKS

Works to refurbish and modernise OIKOS No 1 Jetty will commence soon after 14th December 2011 for a period of approximately 17 weeks.

Plant used in this work will comprise:

- Thames Transporter – Flat top spud barge
- Medtow One – Supply barge
- Silver Beam – Tug
- Flood – Barge
- with other accompanying vessels as required.

All vessels will show the appropriate lights and shapes required by the International Regulations for Preventing Collisions at Sea 1972 (as amended), and manned craft will keep a listening watch on VHF Channel 68.

During the period of works, personnel may be working at the waterline. **All mariners are requested to pass with extreme caution.**

Further information can be obtained from London VTS on VHF Channel 68.
