

NOTICE TO MARINERS No.M38 of 2010

BATTERSEA REACH

IMPERIAL WHARF MARINA DEVELOPMENT

On or about the **5th July 2010 for approximately 6 weeks**, the crane barge HAVEN SEAVOYAGER will be on site for the construction of the above development. Dumb barges and safety boat 'ALFIE' will also be on site and towage to and from the site will be carried out by the 'STEVEN B'.

When HAVEN SEAVOYAGER is in the above location, vessels transiting the location should proceed with caution.

HAVEN SEAVOYAGER, shall display the lights and shapes as prescribed in Rule 27 of the International Regulations for Preventing Collisions at Sea 1972 namely:

- By day, three black shapes in a vertical line the highest and lowest of which are balls and the middle one a diamond.
- By night, three all round lights in a vertical line the highest and lowest of which are red and the middle one white.

Further details will be broadcast by London VTS on VHF Channel 14.

Persons in charge of vessels are also to navigate with extra caution and proceed at slow speed when passing the works.
