PLA representative (print & sign)	
Vessel representative (print & sign)	

FEES

- 1) The standard minimum hire fee for a period of up to one week, inclusive of installation and removal charges is £215.00 + VAT.
- 2) If the Thames AIS equipment is retained or required for a period of greater than one week a fee of £60.00 + VAT per week is payable.
- 3) If installation or removal is required outside of normal engineering support hours an additional mobilisation fee is payable.
- 4) If installation or removal is required at a location which is outside of port limits an additional fee may be payable commensurate with the location(s) used.
- 5) Should less than 14 days notice be given for the installation of a portable Thames AIS equipment the PLA reserve the right to sub-contract the installation and removal of the equipment to a third party and/or apply a surcharge in addition to the standard charge to cover the mobilisation of engineering staff.
Surcharges:
 - a. Between two weeks and 72hrs before installation £200.00 + VAT
 - b. Less than 72hrs notice £400.00 + VAT
