

APPLICATION TO UNDERTAKE DREDGING UNDER THE PORT OF LONDON ACT OR TO REQUEST A SAMPLE PLAN

The following details must be given and the completed form sent to the Licensing Officer at the address opposite. Attach a continuation sheet if required.

LICENSING TEAM
LONDON RIVER HOUSE
ROYAL PIER ROAD
GRAVESEND
KENT DA12 2BG

TEL: 01474 562588
FAX: 01474 562398
EMAIL: lic.app@pla.co.uk

Our Reference:

1. Applicant's details	
Full name of individual or organisation	
Contact person (if different to above)	
Your reference	
Address	
	Post Code:
Telephone number(s)	
Email address	

2. Agent's details	
Full name	
Address	
	Post Code:
Telephone number	
Email address	

3. Details of area to be dredged	
Name of site & description of area to be dredged within site (if applicable)	

4. Is this a request for a sample plan?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
---	------------------------------	-----------------------------

If yes, please complete Questions 4a, 6, 7, 8, 9 and 10b only and provide survey drawing

4.a) Is the dredge site:	
<input type="checkbox"/> Capital (new dredge or not dredged in last 10 years)	
<input type="checkbox"/> Maintenance I (dredged in last 3 years)	
<input type="checkbox"/> Maintenance II (dredged 4-10 years ago)	

5. Is this a repeat application for a dredging licence?	<input type="checkbox"/> Yes	<input type="checkbox"/> No
---	------------------------------	-----------------------------

If yes, please provide the following details:

Three or One Year Licence. The PLA may consider a site for a three year licence if site can be shown to be stable in terms of the dredging requirement, dredging methodology and chemical quality.	<input type="checkbox"/> 1 Year	<input type="checkbox"/> 3 Year
--	---------------------------------	---------------------------------

Name of current/previous licensee				
Date current/previous licence was signed				
Details of all dredging campaigns undertaken under current/previous licence		Start date (dd/mm/yyyy)	End date (dd/mm/yyyy)	Quantity removed (m ³)
	Campaign No. 1	/ /	/ /	
	Campaign No. 2	/ /	/ /	

	Campaign No. 3	/ /	/ /	
	Campaign No. 4	/ /	/ /	

If no, please provide details or an estimate of when the site was previously dredged and to what depth

6. a) Total quantity of material to be dredged (in m³) per annum [Must include any side slopes and over dredge tolerances required]	
b) Number of dredging campaigns per annum	
c) Quantity of material to be dredged per campaign (in m³) [Must include any side slopes and over dredge tolerances required]	
d) Depth to be dredged (in metres above/below Chart Datum including any over dredge tolerances)	

7. Description of the physical characteristics of the dredged material (e.g. silt, sand, gravel etc.)

8. Method of dredging (please select one of the following options)

- Trailer suction hopper Water injection Grab
 Plough Backhoe Cutter suction
 Other (please specify: _____)

9. Disposal method (please select one of the following options)

- Material disposed to land Material retained within water column
 Material disposed to sea Other (please specify: _____)

Name of disposal site (if applicable)

10. a) Has an MMO Marine Licence/Exemption been issued for this site?

- Yes No In progress Exempt Activity

Further details of the status of the MMO Marine Licence for this site (please include MMO reference numbers, the name of MMO case officer and any further relevant information).

10. b) Has a Sample Plan request been sent to the MMO?

- Yes No In progress Exempt Activity

Further details of the status of the MMO Sample Plan for this site (please include MMO reference numbers, the name of MMO case officer and any further relevant information).

11. Environment Agency (EA) Consent

Is the dredge area within 16 metres of a flood defence wall? Yes No

If the dredge area is within 16 metres of a flood defence wall then under the terms of the Water Resources Act 1991 and the Land Drainage Byelaws, the prior written consent of the EA is required and this will be added as an obligation to the PLA dredging licence. The EA can be contacted on 03708 506 506. You should allow at least two months for the consent to be granted.

11. a) Has a Water Framework Assessment Screening been carried out for this site? Yes (go to 11b) No

11. b) Is a full Water Framework Assessment required for the site? Yes (go to 11c) No

11. c) Has a full Water Framework Assessment been completed for the site? Yes (go to 11d) No

11. d) Please provide further details:

12. Proposed start date and duration of all dredging campaigns to be undertaken (if exact dates not yet known, please estimate)		
	Start date (dd/mm/yyyy)	Duration (days)
Campaign No. 1	/ /	
Campaign No. 2	/ /	
Campaign No. 3	/ /	
Campaign No. 4	/ /	

I agree to pay the PLA's reasonable charges for considering this application and, if it is successful, their reasonable charges in connection with the grant of any licence.

I consent or am authorised to consent to such personal details as are supplied above being recorded for use solely in connection with the PLA's licensing function (including valuation assessments and appeals). I also consent, or am authorised to consent, to the PLA providing details of the proposed dredging and location, including copies of drawings, to river users or prospective river users, riparian neighbours and bodies having statutory powers, duties or an interest in the river.

Signed by the applicant (or agent)	
Date (dd/mm/yyyy)	/ /

Have you enclosed:
<input type="checkbox"/> A recent survey marking the proposed area to be dredged and sample locations (if applicable);
<input type="checkbox"/> A detailed dredging method statement (to be produced by the dredging contractor);
<input type="checkbox"/> Results of chemical analysis of the material carried out within the last 2 years. <u>Please note that if new sediment samples are required, then the PLA will advise on sampling requirements and a sampling plan will be issued. Sampling results must be provided to the PLA prior to the application being processed. Sample results will remain valid for two years from the date of analysis.</u>
<input type="checkbox"/> WFD Screening document or WFD assessment (if available).
MISSING ITEMS MAY LEAD TO A DELAY IN PROCESSING THIS APPLICATION

REMINDERS

- Under the Port of London Act 1968, s.73 any dredging in the tidal Thames is subject to PLA licence.
- The applicant must ascertain what other consents are needed, obtain these consents and provide proof of same.
- The applicant must carry out the dredging in accordance with the methodology submitted to, and the licence issued by, the PLA.
- Pre- and post-dredge surveys must be undertaken before and after each dredging operation, or campaign forming part of an annual licence to dredge, and copies of these provided to the PLA.
- Dredging cannot commence until the dredging contractor has signed and returned the letter acknowledging acceptance of the licence conditions.
- It is a criminal offence to commence dredging before the PLA's licence has been given.
