

NOTICE TO MARINERS L18 of 2021

ST. CLEMENT'S REACH STONENESS LIGHTHOUSE REPLACEMENT

On or about 29th September 2021, works will commence to replace the Stoneness Lighthouse structure. The works will be undertaken using the Jack-up barge HAVEN SEASEVEN, with safety boats RONA D and HOLTON on site. The works are expected to be completed by 15th October.

The light is expected to be inoperable for 7 days from 02nd October. Disruption will be minimised as far as possible, though timing and duration are subject to change. Further updates will be given by London VTS on Channel 68.

The chartlet below shows the location of the works:
