

NOTICE TO MARINERS L24 of 2021

SEA REACH DREDGING OPERATIONS

On or about 05th January 2022, the dredger 'IGUAZU' will commence dredging operations on behalf of DP World. The operations will include dredging of London Gateway Berths 1 & 2, as well as areas of the Sunk Deep Water Route around Dynamo and S1 buoys. The works have an expected completion date of 26th January 2022. The timing of the works may be adjusted for operational reasons and further details will be broadcast by London VTS on VHF Channels 68/69.

The work may require vessels to proceed with caution or at slow speed. Such requests will be broadcast by London VTS, as per the requirements detailed in the Port Information Guide under 'London VTS', Para. 4.
