

## NOTICE TO MARINERS      M39 of 2020

### LAMBETH REACH ALBERT EMBANKMENT HEAVY LIFTING OPERATIONS

On Sunday 27<sup>th</sup> September 2020, contractors working on behalf of Riglift will be conducting heavy lifting operations from the barge DEVELOPER alongside the Albert Embankment. The barge DEVELOPER will be towed by the tug DEVOUT and held in position using spudlegs as shown in the chartlet below.

The lifting operations will be conducted approximately 2 hours before high water and will take approximately 1 hour to complete. The cargo will be lifted from the deck of the DEVELOPER by a crane located ashore on the Albert Embankment.

DEVOUT will display the lights and shapes as prescribed in Rule 27 of the International Regulations for Preventing Collisions at Sea 1972 namely:

- By day, three black shapes in a vertical line the highest and lowest of which are balls and the middle one a diamond.

London VTS will broadcast requests for vessels to “proceed with caution” or “proceed at slow speed”, as described in Permanent Notices to Mariners 4 of 2014 as required by the works. International Code flags “Romeo Yankee” will be displayed when this is in effect.

A PLA Harbour Service with blue flashing lights will be in the vicinity as the weight of the lift is being taken and until clear of the deck to ensure wash is not put in.

Further details will be broadcast by **London VTS on VHF Channel 14.**
