

NOTICE TO MARINERS M39 of 2021

BLACKWALL & BUGSBY'S REACHES BLACKWALL POINT TO TRINITY BUOY WHARF - LASER BEAM

From 25th September 2021, a temporary laser beam will be in operation between the 'Slice of Reality' at Blackwall Point and the Trinity Buoy Wharf Lighthouse, as depicted in the chartlet below:

The laser will be in operation between approximately 1800 and 2245 daily from 25th September to 21st November 2021, and will be sited at an approximate elevation of 19 metres above Chart Datum.

An operator will be in attendance at all times during the operating hours of the beam, which will be switched off for known Reporting Vessel movements between North Greenwich Pier and Ordnance Wharf. The operator will keep a listening watch on VHF Channel 14 but will be unable to transmit.

Any vessels intending to transit the area may also request that the beam is switched off by contacting London VTS who will relay the information to the operator. Further details will be broadcast by London VTS on VHF Channel 14.

10 September 2021

Port of London Authority
London River House, Royal Pier Road,
