

NOTICE TO MARINERS M41 of 2018

WOOLWICH REACH THAMES BARRIER DREDGING OPERATIONS

On or about Monday 25th June 2018 for approximately 1 week, contractors working on behalf of the Environment Agency (EA) will be conducting dredging operations in FOXTROT span of the Thames Barrier. The dredging will be undertaken from a flat top pontoon positioned alongside pier 5 with a hopper barge alongside to take the dredged material. During the dredging operations, FOXTROT span will be in the maintenance position.

When undertaking dredging operations the Flat Top Pontoon will display the lights and shapes as prescribed in Rule 27 of the International Regulations for Preventing Collisions at Sea 1972 namely:

- By day, three black shapes in a vertical line the highest and lowest of which are balls and the middle one a diamond.
- By night, three all round lights in a vertical line the highest and lowest of which are red and the middle one white.

Further details will be broadcast by London VTS on VHF Channel 14.

21st June 2018
