

Concluding Remarks

Katherine Riggs

Director of Thames Vision

A shared, ambitious Vision for us all to deliver

- PLA “Custodians of the tidal Thames”
- Thames Vision developed and to be delivered with a wide range of stakeholders

Delivering the Environment & Heritage Goal

Five Priority Actions:

- Tideway
- Water Quality
- New and Green Technologies
- Historic Environment
- Biodiversity

By many Organisations

Work so far

- Tideway
- Cleaner Thames Campaign
- Port Green Tariff 2017
- Biodiversity Working Group
- Working with sports and recreation clubs to monitor INNS

Looking forward – 2017

- Litter Forum developing a five year Litter Strategy
- Launch of Air Quality Strategy
- Development of biodiversity baseline and KPIs
- Celebration of Vision first anniversary

A shared, ambitious Vision for us all to deliver

“.... to hand on the tidal Thames in a better condition to succeeding generations”

Thank you to all of the stakeholders who who are delivering the Thames Vision along the 95 miles of the tidal Thames

Thank You

Lunch is served
in the Terrace Room
