

BARN ELMS REACH PUTNEY BRIDGE PIER TRIAL

This notice replaces Notice to Mariners U26-23, which is hereby cancelled.

In October 2023 four small orange marker buoys, as denoted in the chartlet below, were placed as a trial marking the extremity of a proposed new pier at Putney. The pier trial will run until on or about early April 2024, at which point the buoys will be removed.

During this trial an exclusion zone within the marked area is in force.

All river users are requested to be mindful of the exclusion zone and to pass at a safe distance. Rowers, please refer to the TTRC notice for further information.

Further details will be broadcast by London VTS on VHF Channel 14 as required.
